

QUALIFIED AUTO ELECTRICIANS NEEDED

Auto Magneto Workshop & Fitment Centre based in Thornton, Cape Town, requires the services of qualified auto electricians.

Our RMI accredited Workshop and Fitment Centre specialize in, amongst other, auto electrical repairs, fitments, auto air-conditioning and emergency light repair and fitments. We offer services for passenger vehicles, motor cycles, light & heavy-duty commercial vehicles, agricultural equipment, mining machinery & equipment.

Requirements:

- A valid code 8 or higher driver's licence, code 10 will be an advantage.
- Must have good health and be of sober habits.
- Have a stable track record.
- Be a team player and independent worker.
- Have good writing and communication skills.
- Must be able to work after hours and over weekends when needed.

Remuneration will be based on skill set and experience.

To apply, kindly send your CV to igsaan@automagneto.co.za or call Igsaan on 076 150 4615
